VOLUNTEER TODAY!

Share Today. Shape Tomorrow.

When you share your love, time, and experience, you have the power to help a child who needs you.

As a Foster Grandparent, you're a role model, a mentor, and a friend. Serving at one of thousands of local organizations - including faith-based groups, Head Start Centers, schools, and other youth facilities - you can help children learn to read, provide one-on-one tutoring, and guide children at a critical time in their lives.

Put simply, you give the kind of comfort and love that sets a child on the path toward a successful future.

You Have What It Takes.

If you're 55 or older and want to share your experience and compassion, you have what it takes to be a Foster Grandparent. It's that simple.

Foster Grandparents serve between 15 - 40 hours per week. Some volunteers may qualify to earn a tax-free, hourly stipend. In addition, with Foster Grandparents, you'll receive pre-service orientation, training from the organization where you serve, and supplemental accident and liability insurance while on duty.

Giving Back Helps You Too!

When you volunteer, you're not just helping others - you're helping yourself. Volunteering leads to new discoveries and new friends. Plus, studies show that volunteering helps you live longer and promotes a positive outlook on life.
